

# NETTLETON SCHOOL DISTRICT

Drawer 409, 179 Mullen Ave.  
Nettleton, MS 38858

August 5, 2020

Dear Nettleton School Community,

The Nettleton School District still plans for the first student day of school to be August 12, 2020. The teachers have been working hard to ensure a valuable education to each of our students and to keep the students as safe as possible while in our care.

The Governor of Mississippi has issued an Executive Order requiring masks inside schools by students and staff, so we are changing our Reopening Plan to reflect that order. All students and staff will be required to wear a mask while inside school buildings and when social distancing can't be done outside. If your child has a medical reason for not being able to wear a mask, you need to provide documentation from a physician to your child's school principal. There are other exceptions that are written in the Executive Order #1517. You can go to <https://www.sos.ms.gov/content/executiveorders/ExecutiveOrders/1517.pdf> if you'd like to read the order.

Hopefully, over time, we will be able to push through this pandemic and find better things ahead as we go forward. Thank you for your continued patience as we work through this process.

Thank you,

Tim Dickerson

Superintendent
