Nettleton School Community,

We would like to inform you that we now have a fully functioning school-based medical clinic on the Nettleton School District's main campus. The Nurse Practitioner's name is Shannon Burt. Students will never have to pay anything or receive a bill from the clinic. Faculty and staff will have to pay their regular co-pay.

They do function just as a regular clinic would and are open from 7:30 am – 4:00 pm on Mondays and Wednesdays. In order to be seen, students must have paperwork filled out, which includes a consent to be seen. This paperwork can be found in the attachments or at <http://accessoncampus.com>. Once the paperwork has been filled out, it can be brought to the clinic to have on file for the student when it is needed. The clinic looks forward to taking care of the health care needs in the Nettleton School District. The clinic phone number is 662-591-1815. The fax number is 662-963-1518.

Sincerely,

A handwritten signature in blue ink that reads "Tim Dickerson".
