Dear Parent/Guardian:

Each year the Mississippi Department of Education collects data for school districts and schools for the Mississippi Succeeds Report Card. These report cards contain information about the performance of students in your child's schools and school district.

To access the report card for Nettleton School District and the report card for your child's school, go to the Nettleton School District Website, [nettletonschools.com](http://nettletonschools.com). Got to the "Parents" tab, scroll to bottom and click on "18-19 Report Car." You can then click on your child's school and view the report card.

If you have any question regarding this process, you may contact Mr. Billy Tacker, Director of Federal Programs at 963-2151 or request a printed copy from your child's principal.

Thank you for your interest in your child's education and all that you do to help our students achieve high standards.

Sincerely,

Billy Tacker  
Federal Programs Director
