Part III. Statement of Assurance

On behalf of the Nettleton School District, I hereby submit a local Dropout Prevention Plan developed in order to increase the state graduation benchmark rate to 90% by 2025 and to reduce truancy.

I hereby certify that the information contained in this plan is in compliance with the appropriate federal and state laws and regulations.

I hereby certify that our school district will cooperate in carrying out any evaluation conducted by or for the Mississippi Department of Education.

I hereby certify that our school district will submit reports as requested by the Mississippi Department of Education.

I hereby certify that our school district has consulted with parents, community partners, business partners, teachers, school staff, building administrators, and others in the development of this local dropout prevention plan.

I hereby certify that our school district has taken into account relevant, scientifically based research, strategies and best practices indicating services most effective in preventing dropouts if we focused on students in the earliest grades.

I hereby certify that our school district will prepare and submit an annual progress report on increasing the graduation rate, reducing the dropout rate and reducing the truancy rate.

I hereby certify that our school district will endorse and implement effective strategies to promote a reduction in the dropout rate.

I hereby certify that our school district has based the dropout prevention plan on scientifically based research, best practices and all laws in determining strategies to reduce the dropout rate for students with disabilities under IDEA.

I hereby certify that our school district will evaluate our district dropout prevention plan on an annual basis to determine appropriate changes needed for future school years.

I hereby certify that our District School Board has reviewed and approved this plan for submission to the Mississippi Department of Education.
